DA216A

Product

Reason Code Entry with 16 BTN Keypad

Description:

Sometimes specific events occur that need to be recorded that are in addition to the standard events. This system includes an external port to permit special events to be recorded. For example: Machine jammed, out of material, lunch break, fire drill, service door opened, or any other event. The events can be entered manually or directly from a machine output.

Item: DA216A

UPC: 788581652503

EAN: 0788581652503

Stock Status: Usually in stock.

Dimensions: 5.75" x 4" x 1.25"
