Features

- Convenience is important to most people. This gives you an advantage as Alzatex products are easy to use. The real benefit to you is a very quick learning curve.
- Two-Digit 5" LED display showing Now Serving ticket number.
- Customers are free to wait where they please and employees don't have to yell out names and numbers.
- Use in public service settings to help direct clientele at the DMV or Social Security offices.
- Cover multiple college or university waiting areas with "Now Serving" wall displays for organizational events and registration.
- Use in medical clinics to direct patients to the correct department.
- Standard mounting is 2 key hole slots spaced 9 inches apart for wall mounting.
- There are screws at either end of the displays where D-Rings can be added. D-Rings are NOT included and may be ordered separately.
- There is one 1/4-20 nut on the bottom of the unit for attaching camera style tripod.
- Wireless remote with 15 buttons.
- Add additional displays using cat-5 cable.
