

PS60W150

In the Box

- PS60W150 15VDC, 4A Power Supply with 6ft power cord.
- AC-Cord with USA plug, 6ft.

Product

15VDC 60W Wall Power Supply 2.1MM

Description:

Wall Power Supply, Input 100-240 V, output 15VDC, 4 amp, 60 watt.

Item: PS60W150

UPC: 788581653456

EAN: 0788581653456

Stock Status: Usually in stock

Notes: Part number on unit: GS60A15-P1J

Dimensions: 6" x 2.5" x 1.5"

Weight: 1.1 lbs.

MSRP: \$125.00

Specifications

- Input Connector: IEC320/C14.
- Input voltage range: 100-240V AC.
- Power line frequency: 50/60Hz.
- Output: 15V DC, 4 Amp, 60 watt.
- Straight shank 2.1x5.5mm x 5.5mm positive center output connector.
- Product Marking: GS60A15-P1J.

Features

- EISA compliant.
- Single output AC-DC green Adapter.
- Universal AC input.
- Protection from short circuit, overload, and overvoltage currents.
- fully enclosed plastic case.
