Electronic Voting Wall Display

- The vote results wall display shows how each voting member voted.
- All wall displays require the VOT3VN04B_GRB base unit.
- The VOT3VN04B_GRB base unit displays the vote results for 4 voting members.
- Up to 16 voting members may be displayed on each vote results wall display.
- If you have more than 16 voting members an additional base unit is required.

Stand alone Electronic Vote Totals Wall Display

- The vote totals display shows only the vote results totals.
- This display does not indicate how each member voted.
- The VOT3T4X3B_GRB wall display shows the vote totals.
